

OPTIONAL COVERAGES:

OPTIONAL Deluxe Plan: an additional surcharge for Elite Plan Coverage.

Seals & Gaskets: Seals and Gaskets are covered for those parts listed on coverages.

Touring Bikes: Factory or Dealer installed sound system and antenna (excluding speakers). CB Radio and antenna excluding transmitter. Fixed mount GPS system. Windshield fairing, inner fairing and mounting hardware (except for road hazard damage). Molded (hard) side bags and tour pack-mounts, latches and locks.

Gauges: Analog, Digital and LED information readouts. Factory or Dealer installed instruments including speedometer/odometer, tachometer, fuel, temperature, voltage/amperage and oil pressure gauge including electrical sending units. Light bulbs are not covered.

Fuel System: Throttle control lever and cable, fuel tank and level sending unit, fuel pump, metal fuel lines and fittings, petcock, fuel injectors.

New Trailer-Coverage(optional): Coverage includes: Tongue and coupler, tongue jack and lift crank assembly, hand winch, tilt bed pivot mechanism, axle(s), hubs and hub bearings, spindle(s) and spindle supports, suspension springs, surge brake-master cylinder, wheel cylinders, hydraulic lines and fittings, structural frame welds, wiring harness.

ADDITIONAL BENEFITS:

Towing: \$50 per breakdown

Rental: \$20 per day (Max. 3 days)

Trip Interruption: \$50 per day (Max 3 days) must be 100 miles away from your home to be eligible.

(Motorcycle, Touring, Sport, Dirt, and ATV)

The USA Powersports Plus Program is administered exclusively by American Guardian Warranty Services, Inc., a member of the Better Business Bureau.

WHAT'S COVERED?

PLATINUM PLAN COVERAGE: This coverage supplements the new Vehicle warranty from the manufacturer to the original owner of the Covered Vehicle. Included in this coverage is the replacement of covered components resulting from gradual wear and use when the wear exceeds the manufacturer's specifications. Platinum coverage will cover necessary repair to your vehicle's mechanical and electrical except for items shown in a short exclusions list.

ELITE PLAN COVERAGE: (This coverage is for the specific items listed below.)

Engine: All internally lubricated parts, including: pistons, pins, rings; connecting rods and bearings; crankshaft and main bearings; camshaft, followers, and cam bearings; push rods, valves, retainers, springs, guides, seats, followers, and lifters; rocker arms, rocker shafts and bushings; internal reed valves (where fitted), transfer port valves, timing gears, timing chains, timing belt, timing chain/belt tensioners and retainers; eccentric shaft; oil pump. Oil pan; intake and exhaust manifolds; engine mounts and cushions; engine torque strut, timing cover; valve cover(s); harmonic balancer; flywheel (flexplate) and flywheel ring gear.
Turbo/Supercharger (optional): Housing and all internal lubricated parts and waste gate are covered.

Transmission: (Automatic or Standard) All internally lubricated parts contained within the transmission case; all internal gears, bearings and chains; internal selector mechanism, shift linkage and shift lever, mounts.

Primary & Secondary Drive: All internally lubricated parts contained within the drive case except clutch and hub assemblies. All internal gears, bearings and drive chains, internal selector mechanism, transmission mount.

Final Drive (Shaft Driven Models): All internally lubricated parts contained within the driveshaft and final drive housing, driveshaft(s), ball and universal joints, driveshaft support and mounts.

Chain Case: All internal lubricated parts contained within the chain housing; jackshaft and jackshaft bearings, front axle and axle bearings.

Front/Rear Suspension: All internal lubricated parts contained within the front fork tubes including the front hub. Front and rear wheel bearings, swing arm bearings/bushings, upper and lower control arms, ball joints, king pins and bushings and spindles. Frame for weld failures only.

Steering: Upper and lower steering stem bearings and bushings, axle. Spindle, bearings and bushings. Steering knuckle (stem) and handle bar, adjustment nut(s), tie rod ends, adjusting sleeves and drag link.

Cooling: Water pump, fan motor, fan blade.

Brakes: Hand controls, disc brake calipers, master cylinder and reservoir, wheel cylinders, hydraulic hoses, lines and fittings, drum brake actuation cam and securing hardware, brake hub(s), brake backing plates. (Disc Brake Pads and Brake Shoes are not covered).

Electrical: Starter and solenoid alternator/generator; voltage regulator; magneto, distributor; coil(s), rectifiers, stator, wiring harness; manually operated switches; electronic ignition module, electronic fuel injection control module and fuel injection sensors.

Taxes & Fluids: State and local taxes where applicable and fluids that are required to complete covered repairs.

Wear & Use: Included in this coverage is the replacement of covered components resulting from the gradual reduction in performance due to normal wear and use, when the wear exceeds the manufacturer's specifications.
